

5th Grade Weekly Newsletter

January 11, 2019

Notes

- Welcome to Third Quarter of the 2018/2019 school year!
- As we start a new quarter, we would like to remind you that students should devote between five and ten minutes of studying each subject at home every night. As the content becomes more rigorous, this will become even more important. Focused nightly studying is the key to excelling on tests.
- Students in Band need to turn in practice sheets on a weekly basis. Not turning in signed practice sheets will result in a lower grade.
- Report Cards are being sent home today, with a signature slip attached. Please sign the slip to acknowledge receipt of the report card and return the slip to your child's homeroom teacher by Wednesday, January 16.

Science

We will be finishing the Classification Unit over the next couple weeks. We will be covering the five classes of vertebrates in a lesson each. Plan on a quiz covering lessons 10-13 next Tuesday, January 15. Important concepts include endothermic/ectothermic, type of fertilization, and basic characteristics of each class of vertebrate.

History

We just started the unit on Japan. Look for homework and the test next Thursday, January 17.

Dates to Remember

Wednesday, January 16: Report Card signature slips due

Friday, January 18: Principal's List Assembly, 7:45 A.M.

Monday, January 21: Martin Luther King, Jr. Day—No School
