Character Corner

Justice

The habit of treating all persons with respect and fairness; giving people what they are due; not playing favorites. A good ruler governs with justice toward all.

What are ways we can show justice and fairness at school?

1. Treat all people equally – the same
2. Cooperate with one another.
3. Be respectful and listen to what others have to say.
4. Be willing to do what is best for everyone.
5. Play by the rules at all times; be a good sport.
6. Understand that being fair doesn't always mean the same treatment in every circumstance. For example, a younger sibling may have an earlier bedtime than an older sibling.
7. Stand-up for someone you see being treated unfairly.

Kindergarten Notes

Second semester brings the **Court of Cursive Kings and Queens to College Kindergarten**. As the semester unfolds, students will be crowned Cursive King or Queen as a result of excellent cursive forms, appropriate spacing and joining letters, applying good cursive practice on all papers, and writing first and last names.

We have several **red sweaters** in the **lost and found box** in the Kindergarten building. Please stop in to check for sweaters and other lost items.
