What to Expect at Innovation Learning

-  We provide ample time for your child to get a good start on their homework each day. Our teachers provide homework help to each child as needed, so as a parent you can focus on finishing the homework process with your child.
-  Your child will engage in fun Science, Technology and Engineering activities with their peers.
-  Students will have an opportunity to burn off steam through our Fun Fitness Program
-  Your child will interact with caring adults in a teacher to child ratio that is much smaller than what they experience during the school day.
-  A program that incorporates fun and play in to everything we do.
-  Your child will learn important skills such as creativity, collaboration, communication and critical thinking skills.
