

4th Grade Weekly Newsletter

May 24, 2019

Thank You!

What a wonderful year we have had together in fourth grade! Teaming with you in the development of your child's character and academic potential has been a pleasure and a joy. Your kindness, support, and hard work in what we do here at Vanguard is truly what makes this experience special. Thank you for believing in our mission, for backing us up at home, and for encouraging your child to be his best self each and every day. We feel incredibly blessed to have spent our year with you.

Mark your Calendars

Monday, May 27—Memorial Day; No School

Wednesday, May 29, 2:00 P.M.—Poetry Tea in classrooms

Thursday, May 30, 7:45-11:00 A.M.—Field Day (online permission slips required)

Thursday, May 30—Last day of school!

Wednesday, August 14, 2019—First day of school!

See weekly e-blast for further details.

Our Week of Learning

Language Arts: We are spending the rest of the year reviewing poems to prepare for our poetry tea on May 29.

Latin: Your Latinist is reviewing animal and color vocabulary, along with all grammar topics covered this year.

History: We are wrapping up the year by learning about social reform. It is amazing the change one person can make in his community.

Science: It has been my pleasure to teach your child in science this year. We have covered geology, meteorology, the circulatory system, respiratory system, and electricity. Best of luck in fifth grade!

—Ms. Burke

Weekly Challenge

Literature—Make a summer reading list.

Math—Find a new website to practice math for the summer.

Notes

*Students wishing to participate in **full-year** Band or Strings **MUST** contact the appropriate instructor for an audition before the end of school.

*Please retrieve all of your child's **meds** from the office no later than Thursday, May 30.

*Check the school website throughout the summer for **class rosters** and other information.
