History

We are starting our new history unit, *The Age of Exploration*.

Reminders

We were so glad to see you at Back to School Night. If you were not able to attend, teachers will be sending home two essential pieces of paper: the Homework Policy and a Math Requirement letter. Please sign and return the Homework Policy as soon as possible. We look forward to a fantastic year with you and your children!

Please remember to sign your child's planner every single night. Even when we have long weekends or breaks, we ask that you still sign planners. This helps us keep consistency in all that we do!

Starting on Monday, September 16, writing will be taught in homerooms rather than in Literature groups. Writing will be a part of our new Language Arts block, which will also include grammar. Poetry will continue to be part of Language Arts as well.

We are also starting our new poem, *Jabberwocky*. This is a fun but very long poem. It will be important to practice nightly!

Science

We continue our study of chemistry this coming week. We will delve into the world of bonding, which creates molecules and compounds. Please encourage your scientist to practice drawing bonds, and continue to study recognizing covalent and ionic bonds.

Dates to Remember

September 16: Board Meeting, Dome, 6:00 P.M.

September 17: Picture Day

www.mylifetouch.com

September 19: Coffee with the K-12 Principals, Corona Campus, Cafetorium, 8:15 A.M. to 9:15 A. M.
