Building on the mission of The Vanguard School, the Booster Club believes that extracurricular activities are an important extension of the traditional classroom environment and serve as a key ingredient in the development of the whole person. The Booster Club strives to provide additional support and resources to help deliver the most rewarding experience possible for students in their pursuit of school-sponsored activities outside of the classroom.

It is the Booster Club's goal to fund as many requests as possible. To help us fairly evaluate your funding request, please provide as much detail as possible. You are required to include an amount for all requests, or your funding request will not be considered until the information has been provided.

Requests must be submitted to BoosterClub@thevanguardschool.com by the LAST FRIDAY OF THE MONTH. The Booster Board will vote on funding requests during the following month's meeting, unless you are notified otherwise. In order to approve your request, we ask that you either attend the meeting at which your funding request is being considered in person, by phone, or send a representative to answer any questions the Booster Board may have.
