

Character Corner

Love: *Love does not measure, it gives.*
– Mother Teresa

Reminders

We are only two weeks away from the end of the third quarter! Be sure to check Infinite Campus regularly to ensure that you are up-to-date on your student's grades.

Snow Day Makeup Plan:

We will make up the time missed by changing the hours of Friday school days to match those of Monday through Thursday. The adjusted Friday schedule begins Friday, February 28, and will continue through at least the end of April. If we have another snow day by early April, we will continue full-length Fridays through May. If we have two or more snow days by early April, we will consider having school on April 16 and perhaps April 17, as necessary.

Our Week of Learning

Language Arts: We are working on the third page of “Paul Revere’s Ride.”

Latin: This week, we practiced translating Latin sentences that use predicate nominatives and possessive noun adjectives (e.g. James'), and began learning how to conjugate and translate verbs in the future tense.

Literature: Vocabulary and Spelling

History: We have finished our first half of the *American Revolution* unit. We will be completing Chapters 12-20 Big Ideas and Vocabulary over the next couple weeks.

Science: This week, your scientist finished the *Chemistry* unit and learned about solutes, solvents, and solutions. Next week we move into our *Circulatory System* unit.

Dates to Remember

March 11: Class Pictures K - 12

March 13: End of Third Quarter

March 23 - 27: Spring Break

March 31: Students Return

April 24: PTO Daughter Dance

April 25: PTO Son Dance
