Health Closure

Starting Monday, March 16, The Vanguard School will join El Paso County school districts in closing all school facilities for a period of 14 days.

This necessary action is an attempt to slow the spread of the COVID-19 infection. The closure will last from March 16 through March 27, which includes our already scheduled Spring Break. We will reassess the situation as we get closer to that end date, and decide if students and staff should return the week of March 30 as scheduled.

Our Week of Learning

Language Arts: We are learning the final stanzas of “Paul Revere’s Ride.” Please support your student by listening to them recite this fun but challenging poem.

Latin: This week we learned a new list of vocabulary words.

History: We are beginning our unit on *The Constitution*. It is full of big, important ideas! Ask your child to explain the purpose of the government.

Science: Ask your students to identify the "mightiest chamber" and explain why it is named as such. We are continuing our study of the circulatory system, delving into the topics of blood composition and blood pressure soon!
