Wisdom

The habit of making good judgments; discerning what is true and good and choosing the best course of action. We need courage to change what we can, the patience to endure what we cannot change, and the wisdom to know the difference.

Health Closure

Starting Monday, March 16, The Vanguard School will join El Paso County school districts in closing all school facilities for a period of 14 days.

This necessary action is an attempt to slow the spread of the COVID-19 infection. The closure will last from March 16 through March 27, which includes our already scheduled Spring Break. We will reassess the situation as we get closer to that end date, and decide if students and staff should return the week of March 30 as scheduled.
