After this window of time, please park and proceed to the front office door. Call 471-1999 ext. 242 for Building B and ext. 199 for Building A and your child will be brought to you. Parents who choose not to use the car line may walk onto the main playground, give their car line number to a staff member outside, and their children will be sent down to meet them. Students who are not picked up by the end of dismissal are escorted to the office (late fees will apply).

**Procedure:** When driving into the upper-level parking lot, there are two in-bound lanes. The grades 4-6 lane is the left in-bound lane, and cars should turn into this lane immediately from Corona Avenue. Halfway into the entrance, this lane splits into the carline lane (middle with junior high exiting right) and parking lane (left hand side).

The drop-off and pick-up zone for these grades is along the curbed area in front of Buildings A and B, **designated with cross-hatching on the pavement.** Vanguard School staff will be present to assist your child(ren) in getting out of and into your vehicle. Families may utilize any area where there is sidewalk space for drop-off and pick-up, but please remember to pull as far forward as possible when doing so. For the safety of our students, please do not drop-off or pick-up children in the left lane. If you wish to park and drop-off or pick-up your child(ren), utilize the appropriately marked crosswalk areas and accompany your child(ren) to and from the school building(s).

### **Grades 7-8 Drop-off and Pick-up**

**Arrival: Drop-off is from 7:35 A.M. to 8:05 A.M.** Please do not drop off students any earlier than scheduled times. As a reminder, only students are permitted to exit vehicles and enter school buildings, and all must wear masks while on school grounds. Parents arriving late must bring students to the front office door. Call 471-1999 ext. 255 and someone will come to the door and let your child in the building.

**Dismissal: Pick-up is from 3:00 P.M. – 3:30 P.M.**

**Procedure:** When driving into the upper-level parking lot, there are two in-bound lanes. Cars dropping off junior high students should turn into the far-right lane. Proceed down the road without passing until making the northward turn at the bottom of the hill toward the junior high dome. Drop-off and pick-up can begin as soon as the sidewalk begins and can occur all along the paved sidewalk area.

Cars that have completed drop-off/pick-up may exit using the left-hand lane and proceed by departing via the lower lot. The exit lane for junior high carline merges with the exit lane for the high school carline, so exercise caution. Exiting from the lower lot onto Corona Avenue during drop-off/pick-up is right turn only.
