➤ *Please read the following prior to signing below.*

- The Vanguard School is not responsible for any property lost while at school or at school events.
- Communication devices and electronic equipment (cell phones, smart watches, tablets, etc.) are not allowed on school property without **PRIOR WRITTEN PERMISSION** from the Principal or their designee.
- If a student's parent/guardian feels their child requires a cell phone to use to and from school, they must submit this completed cell phone permission form to the appropriate Building Secretary.
- If approved, the cell phone ringer must be off while on school grounds, and phones must be kept in lockers during school hours.
  - This includes inside school buildings and outside on school grounds, before and after school.
- Students needing to use a phone during these hours may ask to use the office phone.
  - Use of the office phone does not necessarily excuse a student from his next class.
- Violations of this policy will result in the confiscation of the phone and more severe penalties for repeated violations.
  - Parents may retrieve confiscated items after school.

**I agree to the above provisions concerning my child's use of a cell phone.**
