Reminders

All students must come to school with masks, water bottles, and appropriate clothing for the weather.

May 13 is our traditional Gear Up for College Day. Students are permitted to wear college jerseys or shirts to support our seniors as they announce their college decisions. It must be a college shirt and not a professional sports team.

Civil War Project: Students should be diligently working and nearing finishing their Civil War projects! These will be due on May 17. Please reach out to your child's homeroom teacher if you have any questions.

Civil War Reenactment: Thank you all for working so hard to get permission slips signed and payment turned in! If you have not heard already, parents are invited to attend all outdoor parts of our reenactment day! We are so excited to see you there!

Our Week of Learning

History: To end our year in history, we are currently in the unit "Westward Expansion After the Civil War," which will be followed by "Native Americans: Cultures and Conflict."

Science: It's all about feeding plants this week! Ask your child about vascular tissue and photosynthesis.

Poetry: We are continuing to work on our memorization of the "Gettysburg Address." Fifth grade, we will be reciting this poem at our Civil War Reenactment. It is imperative that every student is strong in their recitation!
