

## Assignments 101:

To view your assignments in a class:

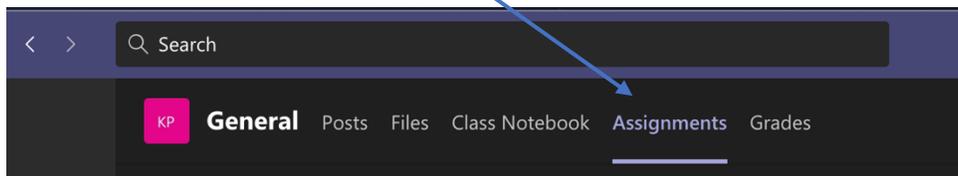

1. Open Teams
2. Make sure your "Teams" is selected on the left side bar
3. Then click on the class you want to work on

Here are all my teams. Right now I want to work in Mrs. King's practice class.

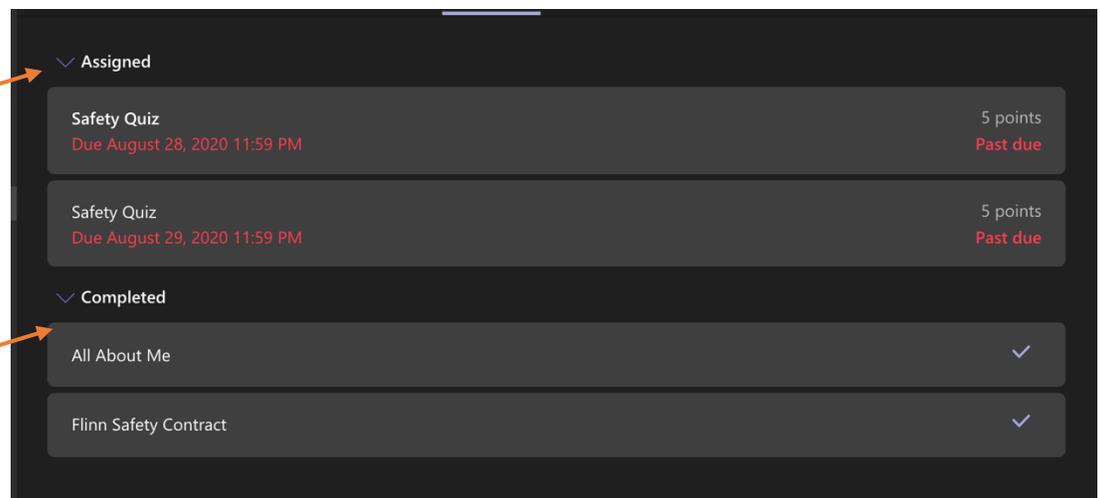

4. Then select **assignments** from the top menu bar

5. Let's orient ourselves to the assignments tab!

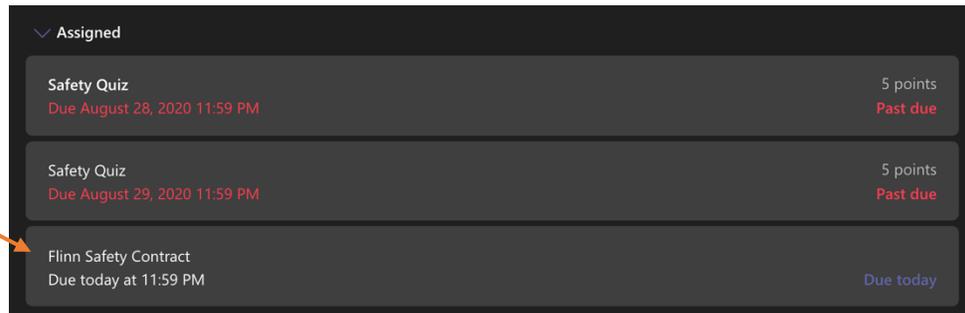

These are the assignments I have NOT turned in.

These are the assignments I have completed and can view feedback/grades for.

To complete an assignment:

1. Click on the assignment

2. Let's take a look at the assignment details!

Here are the instructions from my teacher.

Here is where I need to add my work. Read the directions carefully to see if attached work is required.

This assignment is worth no points.

Turn in

Here is where I can see my work attached.

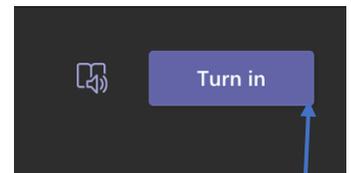

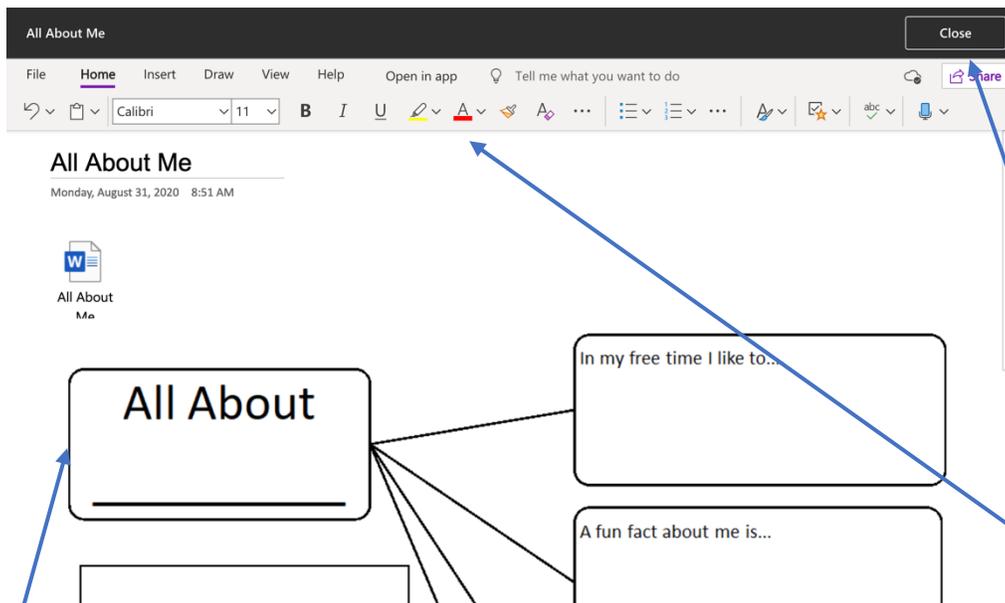

Click the turn in button to submit the assignment.

To complete an assignment in Class Notebook (OneNote):

1. Open up the assignment to read the directions.
2. Then, click on the Class Notebook page to open the assignment in Class Notebook.

3. This is what an assignment looks like in Class Notebook. Let's get familiar with Class Notebook!

4. Remember to click **TURN IN** on your **teams** assignment page!

3. When I am finished, I will hit close.

2. Here is my tool bar for changing text etc.

1. Here is my worksheet that I need to fill out.  
To type in the boxes, I can click where I want to type and a text box (like this) will show up for me to type in.
