Reminders

Please take some time over Winter Break to ensure student uniforms are in good repair and fit well.

Our upper elementary is in need of paper towels. If you would like, please send some in with your child. We would be so grateful!

We have noticed that there are still a large number of students who do not have their math books covered. This needs to be completed over break!

Replenish your student's stock of pencils, lead, and pens. We want the students to come back with all needed supplies in January!

With the colder weather, be sure to send your student with appropriate jackets and clothing.
