

# Sixth Grade Weekly Newsletter

## December 18, 2020

### Reminders

Please take some time over Winter Break to ensure student uniforms are in good repair and fit well.

Our upper elementary is in need of paper towels. If you would like, please send some in with your child. We would be so grateful!

We have noticed that there are still a large number of students who do not have their math books covered. This needs to be completed over break!

Replenish your student's stock of pencils, lead, and pens. We want the students to come back with all needed supplies in January!

### Our Week of Learning

**History:** We finished up our studies of The French Revolution. Have a great break!

**Science:** Geologists will turn oceanographers in January. Enjoy the well-deserved break!

**Distance Learning Families:**

Please return any books that we have already completed. This includes books for both history and literature. Enjoy your break!

### Dates to Remember
