

## Reminders

**All students must come to school with masks, water bottles, and appropriate clothing for the weather.**

Our Civil War Reenactment is coming up; May 21 will be the day of our historic event! We will be renting costumes and fake rifles through a local company that has supplied us with Civil War materials in the past. The total cost for a costume, rifle, and a display of historic artifacts will be \$21.00. Be on the lookout for more information regarding costume orders. We thought it could be a fun option to get "mustache masks" to really act the part of the Civil War soldiers, while staying safe! ## Our Week of Learning

**History:** Our Civil War unit is accompanied by a long-term project. These projects will be assigned early next week and they will be due on May 18. These are intensive projects that will take a long time; be sure to encourage your child to work on them frequently!

**Science:** Our classification unit test (covering lessons 1-15) has been moved to Tuesday, April 13.

**Latin:** We have been working with Third Declension adjectives this week. At this point, we know how to use just about every positive adjective in the Latin language!
