Character Corner

Self-Discipline

The habit of controlling one's desires, emotions, and impulses; being able to resist temptation. Waiting longer for something better. In the absence of self-discipline, our desires control us.

Additional News

Parent/Teacher Conferences — April 16

On April 16 we will be conducting Parent-Teacher Conferences. If a conference is necessary, your child's teacher will contact you to set up a conference. If you do not hear from the teacher, but you would like a conference, please email your homeroom teacher and request a conference time.

Please note, students will not be permitted into the building during conferences.

Toys

We do not allow students to bring toys of any type from home. This includes balls for recess. Please check backpacks regularly to make sure items are not being brought to school.
