Our Week of Learning

Reminders

All students must come to school with masks, water bottles, and appropriate clothing for the weather.

Has your child outgrown his uniform? We are always taking donations for our "Lending Closet" and have a real need for belts.

History: Students should be studying for their upcoming history test on Thursday, April 15.

Language Arts: Students will be getting their literary analysis back this week. Please ask to see those. All writing is to be kept in the blue folder; you may enjoy comparing some of our earliest work to our most recent.

Science: Ask your child about their perspective of the advantages and disadvantages of both renewable and nonrenewable energy resources. Anticipate a test after we cover lesson 10.

Upcoming Project: Our final writing project of the year will require students to provide their own resources. More information will be coming as it nears, but we want you to know it will probably require a family trip to the library.

Dates to Remember
