

Wahsatch Building Arrival/Dismissal Procedures

Half-Day Kindergarten (Wahsatch Building)

Arrival: Drop-off is from 7:35 A.M. to 8:05 A.M. Please do not drop off students prior to 7:35 A.M. as there will be no staff supervision before this time. Parents arriving late must come into the building and sign in their child at the front office. **Non-staff members are not permitted to enter the building before the start of school, during morning car line, or fifteen minutes after the end of morning drop-off, except to sign in a late student.** Always walk your child to/from the building using the crosswalks. Students may be dropped off in carline or walked into the main playground to enter through the designated door.

Dismissal: Pick-up is from 11:45 A.M. to 12:00 P.M., Monday through Friday. If you arrive after 12:00 P.M., please park and walk in the front entrance to pick up your child. Students who are not picked up by the end of dismissal are escorted to the front office (late fees will apply). **Non-staff members are not permitted to enter the building, except to pick up their child late, unless by appointment during or after pick-up times.**

Full-Day Kindergarten WITH SIBLINGS in Grades 1 -3 (Wahsatch Building)

Arrival: Drop-off is from 7:35 A.M. to 8:05 A.M., at the Wahsatch building along with the kindergarten student's siblings. Please do not drop off students prior to 7:35 A.M. as there will be no staff supervision before this time. Parents arriving late must come into the building and sign in their child at the front office. **Non-staff members are not permitted to enter the building before the start of school, during morning car line, or fifteen minutes after the end of morning drop-off, except to sign in a late student.** Always walk your child to/from the building using the crosswalks. Students may be dropped off in carline or walked into the main playground to enter through the designated door.

Dismissal: Pick-up is from 3:20 P.M. to 3:50 P.M. After this window of time, parents must come into the building and sign out their child at the front office. Children may be picked up from the carline or from the main playground. Because these students walk over from the Southern Cross building, they may need a few extra minutes to be ready. Parents should give their carpool number to the staff member facilitating pick up and wait for their child to come to them rather than take a child from the kindergarten train. Students who are not picked up by the end of dismissal are escorted to the office (late fees will apply). **Non-staff members are not permitted to enter the building, except to pick up their child late, unless by appointment during or after pick-up times.**

Corona Campus Arrival/Dismissal and Carline Procedures

Grades 4-6 Drop-off and Pick-up

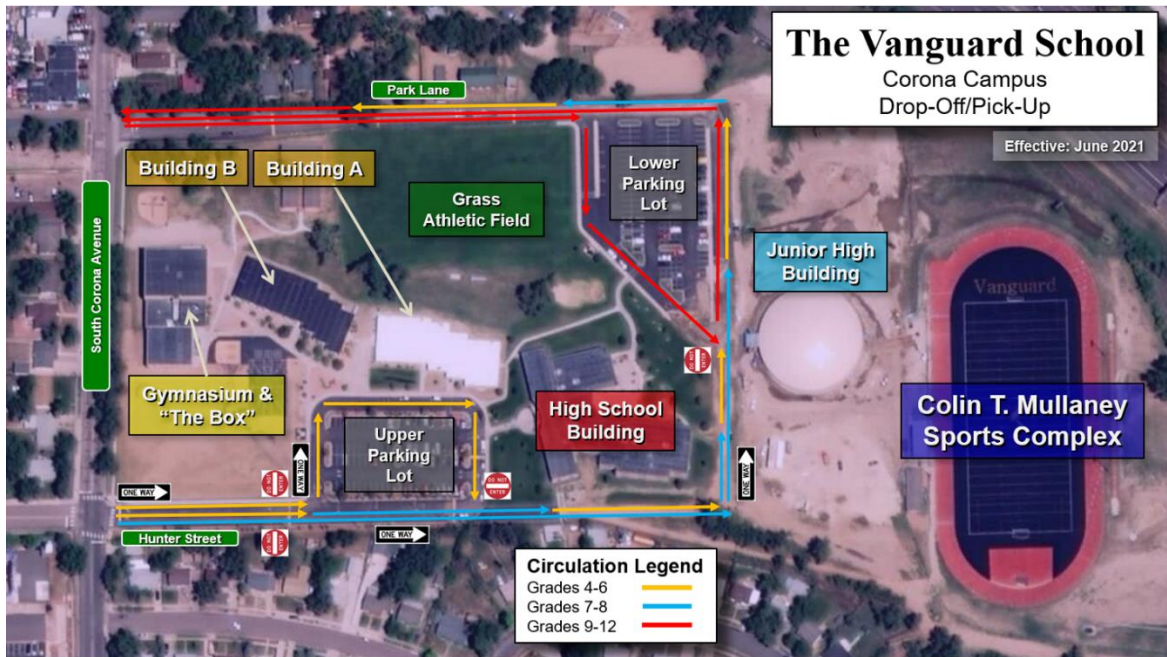

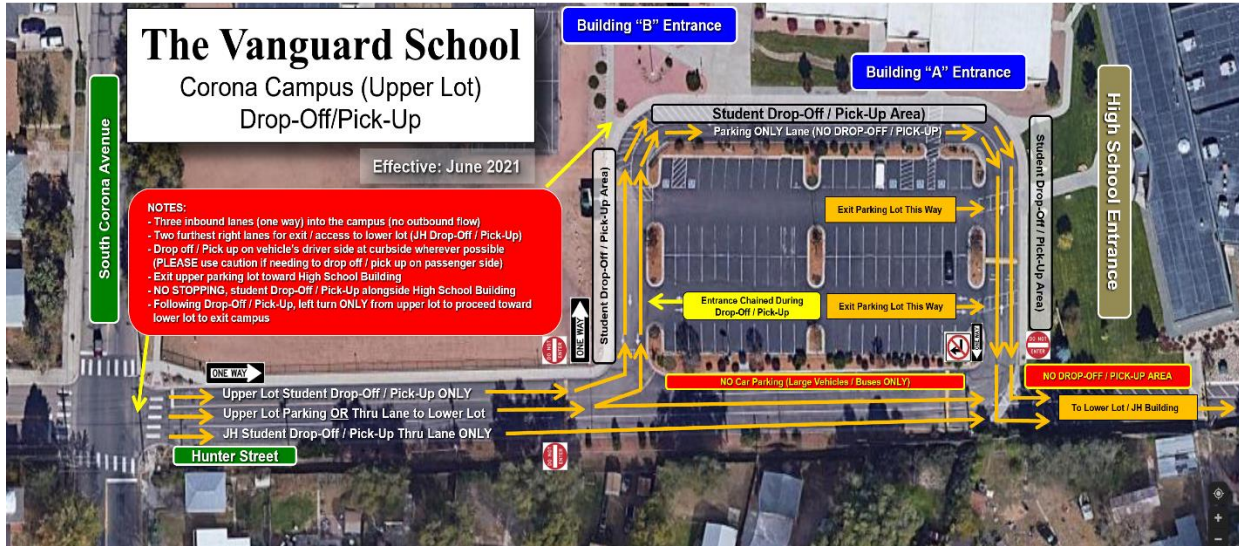

Arrival: Drop-off is from 7:30 A.M. to 8:00 A.M. Please do not drop off students prior to 7:30 A.M. as there will be no staff supervision before this time. Parents arriving late must come into the building and sign in their child at the front office. **Non-staff members are not permitted to enter the building, except to sign in a late student, before the start of school, during morning car line, or fifteen minutes after the end of morning drop-off.** Always walk your child to/from the building using the crosswalks.

Dismissal: Pick-up is from 3:15 P.M. to 3:45 P.M., Monday through Friday. Parents arriving after these times must come into the building and sign out their child at the front office. All students (including those with siblings) should be picked up at their respective campus, as there will be no walking between campuses. **Non-staff members are not permitted to enter the building, except to pick up their child late, unless by appointment during or after pick-up times.**

Procedure: When driving into the upper-level parking lot, there are three in-bound only lanes. The grades 4-6 carline lane is the far left in-bound lane, and cars should turn into this lane immediately from Corona Avenue. The middle lane provides access to the upper parking lot and can be followed forward as a thru-lane to the lower parking lot. The far-right lane is the Junior High carline lane.

All upper elementary traffic (carline and parking lot) enters by turning left into the first access point and travels clockwise (prior traffic flow was using second entrance and traveling counterclockwise). All traffic exits at the east end of the parking lot and turns left, traveling down to the lower lot to exit campus. Exiting from the lower lot onto Corona Avenue during drop-off/pick-up is right turn only.

The drop-off and pick-up zone for these grades is along all curbed areas in front of the High School, Buildings A and B, and along the dirt lot. Vanguard School staff will be present to assist your child in getting out of and into your vehicle. **PLEASE NOTE: children should exit vehicles from the back seat on the driver's side to avoid exiting into a thru-lane.** Families may utilize any area where there is sidewalkspace for drop-off and pick-up, but please remember to pull as far forward as possible when doing so. For the safety of our students, please do not drop off or pick up children in the right lane. If you wish to park and drop off or pick up your child(ren), utilize the appropriately marked crosswalk areas and accompany your child(ren) to and from the school building(s).

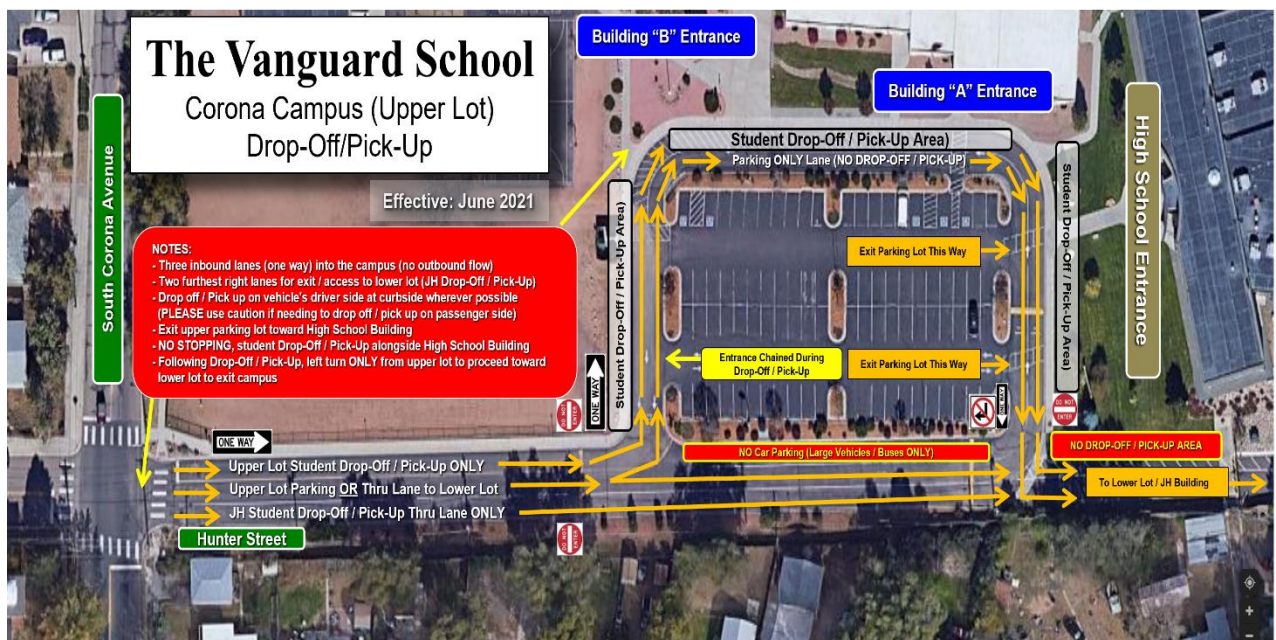

Grades 7-8 Drop-Off and Pick-Up

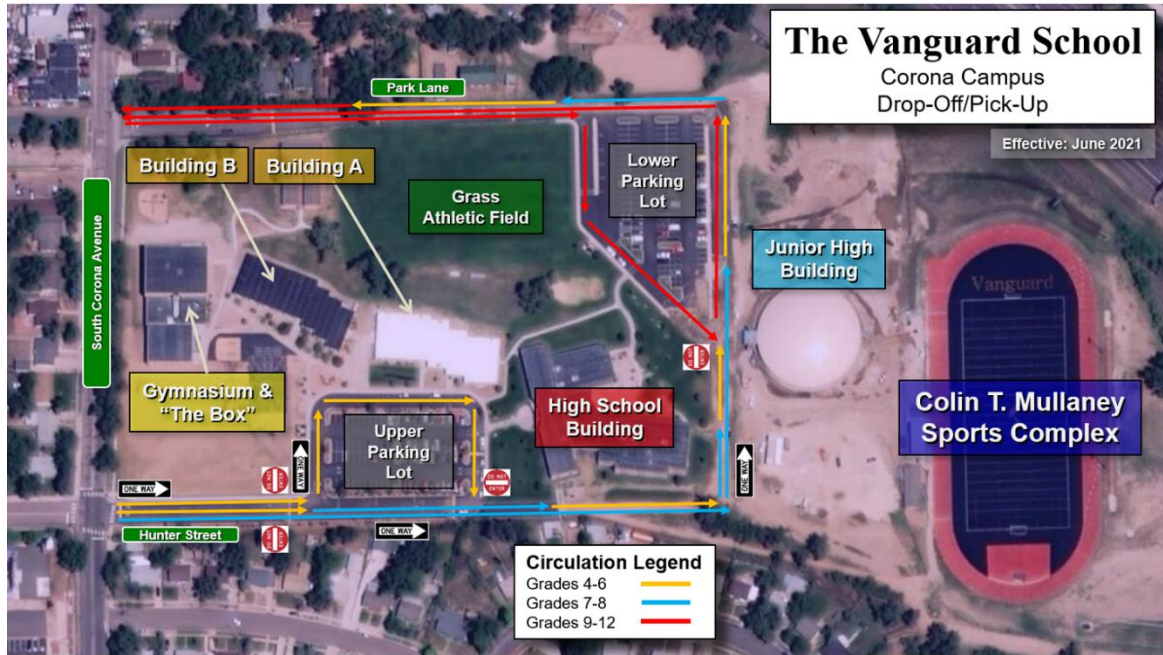

Arrival: Drop-off is from 7:45 A.M. to 8:15 A.M. Please do not drop off students prior to 7:45 A.M. as there will be no staff supervision before this time. Parents arriving late must come into the building and sign in their child at the front office. **Non-staff members are not permitted to enter the building, except to sign in a late student, before the start of school, during morning car line, or fifteen minutes after the end of morning drop-off.**

Dismissal: Pick-up is from 3:30 P.M. to 4:00 P.M. **Non-staff members are not permitted to enter the building unless by appointment during or after pick-up times.** Parents arriving after these times must come into the building and sign out their child at the front office.

Procedure: When driving into the upper-level parking lot, there are three in-bound lanes. Cars dropping off junior high students should turn into the far-right lane. Proceed down the road without passing until making the northward turn at the bottom of the hill toward the Junior High Dome. Drop-off and pick-up can begin as soon as the sidewalk begins and can occur all along the paved sidewalk area.

Cars wishing to park should enter the upper parking lot utilizing the middle land and then utilize the left land that leads to the lower parking lot. Cars that have completed drop-off/pick-up may exit using the left-hand lane and proceed by departing via the lower lot. The exit lane for junior high carline merges with the exit lane for the high school carline as well as traffic exiting from the upper lot, so exercise extreme caution at all times. Exiting from the lower lot onto Corona Avenue during drop-off/pick-up is right turn only.

Grades 9-12 Drop-Off and Pick-Up

Arrival: Drop-off is from 7:30 A.M. to 8:05 A.M. Classes begin promptly at 8:15 A.M. Please do not drop off students prior to 7:30 A.M. as there will be no staff supervision before this time. Parents arriving late must come into the building and sign in their child at the front office. Self-driving students arriving late must always sign in at the front office before going to class. **Non-staff members are not permitted to enter the building, except to sign in a late student, before the start of school, during morning car line, or fifteen minutes after the end of morning drop-off.**

Dismissal: Pick-up is from 3:30 P.M. to 4:00 P.M. **Non-staff members are not permitted to enter the building unless by appointment during or after pickup times.** Parents arriving after these times must come into the building and sign out their child at the front office.

Procedure: Access the lower-level parking lot by taking Corona Avenue to the northern border of the Corona Campus and turning onto Park Lane. From there, follow the road and turn right to follow along the curb where you may drop off your child(ren) wherever curb space is available. Please make sure to pull as far forward as possible. Please be cautious of pedestrians using the crosswalk leading from the lower lot to the high school. Slow speeds and alert driving are requested, particularly during times of heavy foot traffic right before and after school.

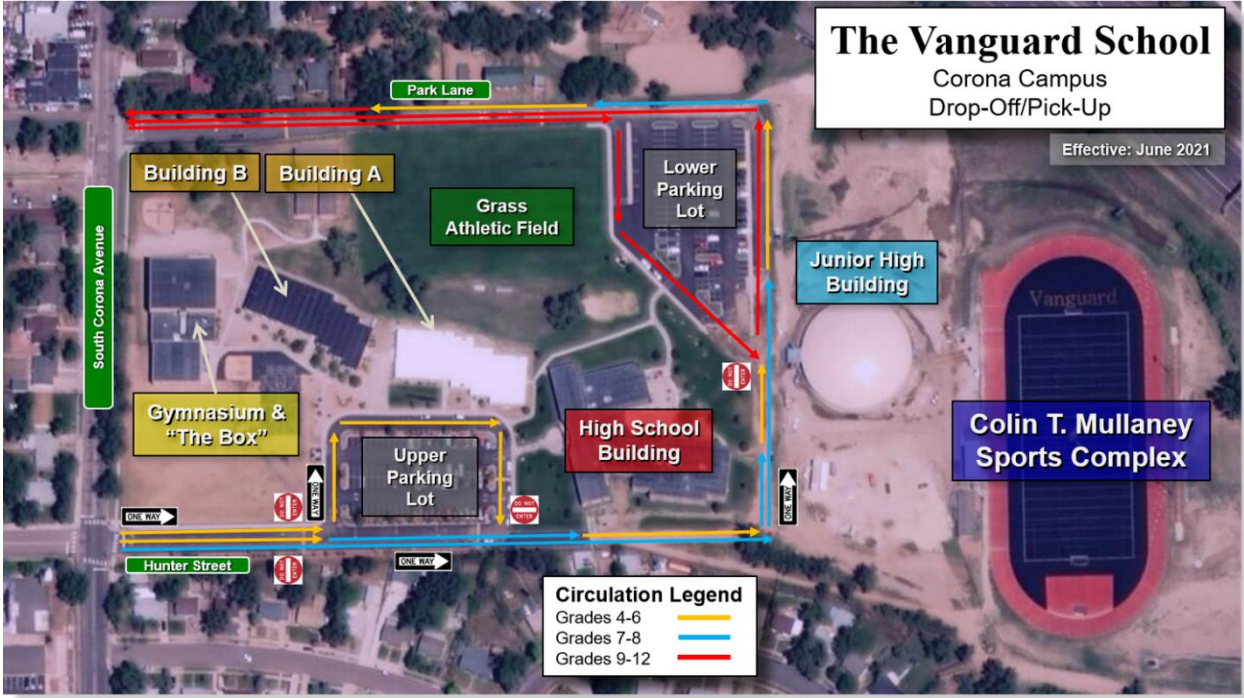

Cars wishing to park during drop-off or pick-up times, should enter the upper lot utilizing the middle lane which serves as a thru-lane all the way down to the lower lot and into the parking areas. The exit lane for the high school carline merges with the exit lane for the junior high and traffic exiting from the upper lot. High school families should yield accordingly and exercise extreme caution at all times. Exiting from the lower lot onto Corona Avenue during drop-off /pick-up is right turn only.

Guests are requested to avoid parking in spots reserved for the senior class, which are in two rows of ten spaces along the middle row and closest to the building. (Designated by colored signs on the pavement within the parking space)

General Information and Reminders

- The front (west) doors to The Vanguard School High School building (facing the upper-level parking lot) will be locked until 8:30 A.M. All student arrivals must enter from the lower-level lot.
- For children's safety, there are to be no drop-offs or pick-ups on the access road leading to the lower-level parking lot (adjacent to the grass athletic field).
- Corona campus upper lot has changed to three lanes of enter-only traffic, with entrance to the parking area using the first left turn and traveling clockwise. All high school visitors using the upper lot must now exit by turning left out of the parking lot and following the thru lane to the lower lot exit. Observe and follow the directions of our crossing guards at all times. This applies whether you are a driver or pedestrian, and whether you are a parent or child.
- Drop-off and pick-up should occur only within carline or a designated parking space.
- Crossing on the street or within parking lots may only occur in designated crosswalks.
- To ensure the safety of both our students and staff working the carline, proceed with caution and at slow speeds, specifically through each crosswalk and intersection, to ensure your ability to stop quickly should you need to.
