Reminders

Start collecting all schoolbooks to be returned. We don't want any fees given out for misplaced books!

As we near the end of the school year, please take some time this weekend to work on cleaning out binders and making sure your child is organized.

Our week in Learning

**Science:** We are finishing up our Endocrine unit this week and next week. We will be discussing hormones and their effect on emotions and feelings. There is a parent copy of the Endocrine curriculum at the front desk if you would like to read it ahead of time. We will also be showing a virtual porcine dissection with the option to observe actual specimens next week.

*If you would still like to purchase a yearbook, you may pay for one at your building's front office.*

*The cost is \$20.*

*Limited number left for purchase.  
Will be delivered to the high school front office in June.*
