Our Week of Learning

History: We have started our final unit on Social Reformers. We are learning how reformers of the 1800's paved the way for future generations.

Science: We finished our unit on electricity with a test on Tuesday. Ask your child about the fun lab that they participated in this week.

Poetry: Thank you to everyone for joining us for our Poetry Tea. The students had a fantastic time showing you what they have learned this year.

Literature: We continue to work hard with spelling, vocabulary, and comprehension of our novels. Many are finishing the final novel of 4th grade.
