Fifth Grade  
Weekly Newsletter

August 19, 2022

## Character Corner

**Citizenship:** The habit of self-government; choosing to follow the rules out of respect for others and ourselves; taking personal responsibility for our homes, school, and country; cooperating with fellow-citizens, and defending them when needed.

## Reminders

Be sure to help your child get their math book covered! We want to ensure that school supplies stay in great shape. If your child does not have their book covered by Monday, August 22, they may need to spend some time at a recess to accomplish this task. An at home book covering would be suggested.

Planners need to be signed by parents or guardians on a nightly basis. The planners are the best way to ensure that you are up to date on the work your child has each night.

## Our Week of Learning

**History:** We have wrapped up our first history unit on World Lakes! The students learned fascinating facts about some of the most important lakes of the world. Next, we are moving into the incredibly exciting unit on the Maya, Aztec, and Inca civilizations!

## Back to School Night

Thank you all so much for attending Back to School Night! It was such a pleasure getting to meet you all and talk about what to expect in fifth grade. Please always know that your child's homeroom teacher is always here to answer questions if you have them!
