Character Corner

Citizenship: The habit of self-government; choosing to follow the rules out of respect for others and ourselves; taking personal responsibility for our homes, school, and country; cooperating with fellow citizens, and defending them when needed.

Reminders

Make sure your walkers have their online permission slips signed and ready to go in order for students to walk off campus at 3:40 P.M.

Smart watches need to be appropriately stored away until the student leaves the classroom or building.

Your child is looking sharp in their uniforms! Please refer to the student uniform policy if you have any questions.

Our Week of Learning

Latin: Sixth grade Latin has kicked off the year with a review of previous material. This week we are building a strong foundation by reviewing our cases and noun functions. We have been analyzing English sentences, and next week we will move on to our Latin nouns and adjectives.

Science: Sixth grade science has been reviewing the methods of science, including the branches of science and the scientific method.

History: History started its discussion and comparison of deserts worldwide. We noted what defines a desert and what adaptations have man and animal learned to survive.

Back to School Night

Thank you all so much for attending Back to School Night! It was such a pleasure getting to meet you all and talk about what to expect in sixth grade. Please always know that your child's homeroom teacher is always here to answer questions if you have them!
